## SPONSORSHIP OPPORTUNITIES

**Worrall**  
Community  
Association

Worrall Festival takes place on **Saturday 6<sup>th</sup> September 2025** bringing together the community in Worrall and neighbouring villages. The festival includes live music, children's activities, the Worrall Chase cross-country run, craft stalls, refreshments, BBQ and a fantastic selection local ales.

All proceeds go towards putting on the free event for the community, with any surplus going towards the maintenance and running of Worrall Memorial Hall which provides a fantastic resource for the community across all ages from a baby and toddler group to young at heart afternoon, dance groups, guides, yoga as well as birthday parties, weddings and celebrations.

Worrall Community Association recognise the importance of local businesses and are offering a range of sponsorship opportunities. Without sponsorship, this community event would not be viable.
